## <u>ORDER</u>

This case was on the Court's November 17, 2014 trial calendar for Los Angeles, California, and raises mostly valuation questions. The Court spoke with the parties on January 6, 2016 and all agreed that it requires a special session and pretrial order. After discussing trial dates for early next year with the parties, it is

Roybal Center & Federal Building, 255 E. Temple Street, Los Angeles, CA 90012. This order is the official notice to the parties of that trial. It is also

ORDERED that the parties shall file on or before February 26, 2016, a joint status report proposing a pretrial order that shall include dates for at least the following events:

I. Deadlines for informal and formal discovery.
 II. Identification of each witness expected to be called by name, address, qualifications of the witness, and a brief summary of

the expected testimony of each such witness.

III. Deadline for filing discovery motions.

IV. Deadline for exchange and lodging with the Court of any expert witness reports.

VI. Deadline for submitting any dispositive motions.

VII. Deadline for submitting any other pretrial motions (e.g. motions

Deadline for filing any motions concerning stipulations of fact.

VIII. Identification and exchange of any exhibits that each party may

offer into evidence as part of his case in chief (excluding only

exhibits to be used solely for impeachment).
